
DO YOU HAVE EMPLOYEES WHO WOULD LIKE TO QUIT SMOKING?

Tobacco Free Workplace Support

The City of Vineland Health Department in cooperation with Tobacco-Free for a Healthy NJ, is committed to assisting local employers help employees quit smoking. The Workplace Support program encourages a productive workforce and healthier employees.

Tobacco is a leading cause of preventable death and disease in New Jersey. Addressing this issue in your workplace demonstrates to your employees and their families that your organization is committed to their health and well-being. It also sends a strong message to the community that you are playing an active part in reducing the harm caused by tobacco.

WHAT WE OFFER?

- Lunch and Learn Quit Smoking Workshops
- Cessation Support
- Referral & Resources

856-794-4131
